Uluru write up next week!
Please enjoy photos!

Dear Parents and Caregivers,

Week 3 was a fabulous week here at Ivanhoe Central School. While most students were out exploring the Outback and Uluru, a special few were here at school having educational adventures of their own.

Students worked hard in the Outback Adventure Farm, weeding and planting. They explored the history of Halloween and wrote some spooky Monster Stories for you to enjoy.

There was lots of prop making for our end of year presentation, games, stem activities, domino pattern making and a visit from the Flying Padre.

The highlights of the week were our fantastically scrumptious lunches on Tuesday and Thursday in the Outback Adventure Café! The students cooked up a storm, making Mexican chicken wraps, steak sandwiches, chicken burgers and strawberry ripple ice-cream. The week ended with a movie afternoon. Please enjoy the photos and stories.

MONSTER STORIES

A Monster Story

One night I had a dream about a cuddly helpful and colourful monster. He is purple with a big nose, red eyes and soft fur. He smiles at me all the time.

Me and the monster were playing in my bedroom. We were having a Barbie tea party. It was lots of fun! By Isla

The Flame Bird

I woke up on the first day of the school holidays. I got up and quickly I had my cereal. Then I ran outside.

My friend said "We need to go to the volcano!" "ok" I said. We jumped into my car and we drove to the volcano.

On the way to the volcano, we heard a bird. When we arrived at the volcano, we jumped out of the car and raced to the top to see which bird made the sound.

We saw a bird made of red and orange flames rise out of the lava and fly high into the sky. It cried out and swooped down in front of us. It was the most terrifying thing I have ever seen.

The Big Blob

Mum took me to the park called Creepy Park. I was scared. I went in a door. The big blob jumped off the roof on to my head I screamed I ran all the way home.

The ugly monsters

One night when I was sleeping I dreamt about monsters. They was ugly and hairy with sharp teeth and horns. They were black, white and yellow. These creepy guys popped out of nowhere. Eating old and rusty cars I was rolling around on the floor with laughter. They did not scare me, I went up to the biggest one and said `` that does not look nice `` he growled `` it is awful `` I felt sorry for them, so I offered to make my famous banana pancakes until I woke in the morning. OPINIONS FROM THE YEAR 9 ENGLISH CLASS

Sports are Great

Sports are the best thing the world. It brings different peoples together in a spirit of friendship. People feel passionate about sports, both playing and watching.

When we have a family gathering we eat first then we have family competitions. This is good because it brings us together. We are competitive but also help each other.

On a global scale, sport brings people together when they watch their favourite sporting team or if they are lucky represent their team, school, sport or country in competitions like the World Cup or the Olympics. - By Sofaia
