Dear Parents, Carers and Community

At ICS, the education, wellbeing, and safety of our students and staff is paramount. From our 2018-2020 School Plan, Strategic Directions 'Community Partnership', we require all parties to invest in the Ivanhoe children's development across all areas from education, sports and creativity. The Schools curriculum is incorporated with quality curriculum planning but teacher delivery is not enough to meet the diverse learning needs of our students, we need to work together to promote happy successful learners. During the next few weeks, the staff and students will be creating new goals for their learning and wellbeing plans. Staff will include innovative teaching approaches that suit your child's needs and further develop growth mindset and confident skills. We ask you to take part or familiarise yourselves with your child's goals. It's a fantastic opportunity for your child to track their progress academically and personally.

Farewell

I wanted to let you all know that I will be leaving at the end of this term, I have been successful with an Expression of interest at a larger rural primary school near my family. As an expression of interest, it is a contract for the remainder of this year, with a possible extension. I consider myself very lucky to have had the opportunity to lead Ivanhoe CS and to get to know every one of you. I am finding it difficult to say goodbye even though it is only for a short time. I have become very fond of Ivanhoe, all the students and their families. I have made many memories, many of them rewarding, learnt so much, I want to thank you all for your support and guidance. I am sad to leave although I look forward to the new challenge of a larger school with lots, lots more students and staff. I am confident that whoever replaces me as the new Principal will not have a problem managing this wonderful little school. I wish you all a very safe and successful year.

Signing off until next year

‘The Magnificent Tree’ written by Nick Bland and Stephen Michael King. *Bonny and Pop are bursting with ideas. Pop’s ideas are big and brave, and Bonny’s ideas are simple and clever. When they decide to make something that will attract the birds, they come up with ideas for a tree. A brave tree, a clever tree....a magnificent tree.*

‘Hana Hashimoto, sixth violin’ written by Chieri Uegaki and Qin Leng. *When Hana announces that she’ll be playing violin in the school talent show, her brothers laugh so hard they nearly fall out of a tree. But Hana doesn’t let that stop*

JOKES from Ms Sharp, enjoy

Two students talking:

Mia – I think we need a new teacher.

John – Why is that?

Mia – She doesn’t know anything!.... She keeps asking us for the answers

HUB NEWS

Welcome to the Hub for 2019. This year we have a new Hub supervisor, Sara Morgan who is keen to welcome all parents and children to the groups to be held:

TUESDAY AND THURSDAY—9.30 to 12.00

Children aged from birth to 5 years are most welcome to attend, accompanied by their parent/s. This is an opportunity for parents to interact and for children to socialise and play together. Activities are planned for each session.

The groups take place in the HUB room which is situated within the school grounds and in the building located separately at the front of the school on the southern end. It has its own gate and entry.
