Dear Parents, Carers and Community

Thank you to all the community that showed up for our assembly on Thursday last week. The singing and presentations from the primary school were excellent. Congratulations to the students who received awards.

We unfortunately overlooked one of the awards, Coral Slade is the recipient of the Principal's award and it is to be presented today.

Congratulations to Coral, all teachers have commented on how much effort and diligence she is demonstrating in class this term.

The school jumpers should be here in the next day or so, just in time for the cold weather.

The first Breakfast Program was held this morning. It proved to be very popular with most of the students arriving in time to partake of the wholesome food prepared.

Tomorrow, Tuesday will be Healthy Lunches day. Not all notes were returned, so please return your note in the morning so you can be part of the Healthy Lunches program.

IVANHOE CENTRAL SCHOOL ASSEMBLY—THURSDAY 30TH MAY

The Assembly leaders were Ella Gageler and Jada Etrich.

At the assembly a special presentation was made to Meg Tyler who received her award for Teacher Accreditation.

Our relieving Principal, Mr Greg Edwards made the presentation (as shown on the right). Meg was delighted to receive this as actual proof that she is a competent teacher—now in semi retirement. The writing on the folder states ‘celebrating quality teaching and inspirational teachers’.

The photo (bottom right) shows students from 3-6 demonstrating some of the interesting facts they have learnt about Australia. They collated these facts and added them to the map of Australia.

Awards presented to students in K-2
Isla Huntly—For always being polite and asking great questions.

Jullian Coulthard—For overall great work and improvement in her class work.

Awards presented to students in 3-6
Coral Slade for overall improvement in reading and class work.

Secondary awards were presented to Cooper McMaster—For great work in science and to Paul Jones—for overall improvement in his work and for showing leadership at school

Principal’s Award presented to Coral Slade.

HUB NEWS

TUESDAY AND THURSDAY—9.30 to 12.00

Children aged from birth to 5 years are most welcome to attend, accompanied by their parent/s. This is an opportunity for parents to interact and for children to socialise and play together.

Activities are planned for each session.

The groups take place in the HUB room which is situated within the school grounds and in the building located separately at the front of the school on the southern end. It has its own gate and entry.

Last week they held a Teddy Bears' picnic and it was thoroughly enjoyed by all. See photos below.

Each week they visit the school library and have some fun time there and borrow books.

P & C MEETING

There was a good attendance at the meeting last week.

The AGM will be held on Monday 17th June at 3.00pm in the school library.

It is hoped for another good attendance as there were some really good ideas put forward at the last meeting

Afternoon tea will be provided.

Look forward to seeing you there.
