UPCOMING EVENTS:

FIRST DAY BACK TO SCHOOL MONDAY 14TH OCTOBER

Uluru Excursion
26th October– 2nd November

Dear Parents, Carers and Community,

NAPLAN letters have been sent home with your child today. NAPLAN tests are designed to provide you, your child and their teacher with information on how your child's learning is progressing, and if they need support to improve their literacy and numeracy skills. While NAPLAN is a useful snapshot of school improvement, its primary importance is in its use in the classroom, by teachers who can use it to help identify specific aspects of student learning that needs attention. If you have any queries in relation to these letters or results contained within please contact the school.

This Wednesday evening at 5:30 is our Uluru excursion information evening. The meeting will be held in the school library.

First day back at school will be Monday 14th October.

Have a safe and happy holiday!

Greg Edwards
Relieving Principal

JOKE OF THE WEEK

Why do kangaroo mums hate bad weather?

Their joeys have to play inside!

What do you get when you cross a kangaroo with sheep?

A woolly jumper!

WAP News

This week, Kate had a visit from her English teacher, Ms Trevethan who travelled out from Menindee Central School. Kate usually participates in her lessons via video conferencing so this was a great opportunity for both teacher and student to have a lesson in person.

Kate has also recently had visits from her hospitality teacher, Ms Clenton. Kate is currently studying 'The Art of Coffee' in hospitality and she was able to practice her barista skills by making lattes for the staff at ICS. Kate had a great day behind the coffee machine and the staff enjoyed it too. Delicious!

Kate has completed all of her assessment tasks for year 11 and is now half way through her final years of senior study. Great work, Kate!

The 3-6 Class in the Science Lab

This week the 3-6 class headed over to the science lab to create a sunset in a glass beaker. This experiment replicates the scattering of small particles in the earth's atmosphere using milk in a glass beaker of water. Great work 3-6, how cool is science!

A (Tractor) Bucket Load of Fun

Our high school students are learning how to operate the school tractor with the help of our principal, Mr Edwards.

A great way to learn a valuable life skill and they have lots of fun while doing it!

To celebrate our Mexican day this week at ICS here is the story of Miguel!

"Hi! I'm Miguel from Mexico.

I live in Mexico City, and I speak Spanish. It is mostly sunny and warm here. I like to visit the market on Saturdays. They sell ponchos and lots of hot chillies.

When I come home from school, I eat my lunch. My mother makes tortillas with cheese and a spicy sauce called salsa. My father is a dentist. He eats with us too. After lunch he takes a siesta.

Last summer, we went to the ocean. We saw tourists from all over the world. I loved swimming with the fish!"

Hub News

Exciting news! In Term 4 we will be having hub 3 days a week!!!

From Week 2 onwards, Hub will be running on Tuesdays, Wednesdays and Thursdays from 9:30am—11:30am.

Our renovations are coming along swimmingly. We are so excited for our new outdoor area and we can't wait to be able to get outside and play in our garden.

IMPORTANT DATES FOR FIRST WEEK BACK TERM 4

Hub will run on MONDAY, WEDNESDAY and THURSDAY from 9:30am — 11:30am

A photo of some of our Hub children dressed up for Book Week earlier this term. We are excited for the fun and games next term!

Wear your sombrero and get ready for some yummy food!

NOTICE

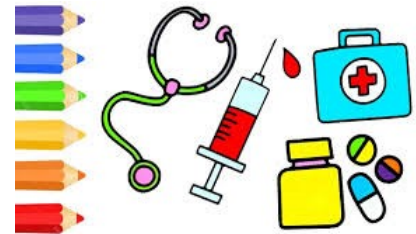

ITEMS FOR PUBLICATION

Items for publication in the school newsletter need to be submitted to the school (via email or in person) by 4pm Thursday, prior to publication. This will ensure items are included in the next newsletter.

Phone - 02 6995 1108 Email - ivanhoe-c.school@det.nsw.edu.au

Due to large numbers of community advertisements coming into the school to be added to the newsletter, the cost is escalating. We would like to continue to produce large and colourful copies but to make this possible we will need to charge a fee for each advertisement. \$5.00 for a one off or \$20 for a month.
